

WARLEY MEDICAL CENTRE FRIENDS & FAMILY TEST

How likely are you to recommend our GP practice to friends and family if they needed similar care or treatment?
November 2017

NEITHER LIKELY OR UNLIKELY

Good staff however struggle in appointments.

EXTREMELY LIKELY

Everyone is kind and understanding.

LIKELY

It's a place that's always clean and tidy, pleasant staff. I don't like changing doctors, I prefer the same doctor each time I go.

LIKELY

Friendly and helpful.
