

WARLEY MEDICAL CENTRE FRIENDS & FAMILY TEST

How likely are you to recommend our GP practice to friends and family if they needed similar care or treatment?

January 2019

EXTREMELY LIKELY

Midwife did an excellent job.

EXTREMELY LIKELY

I was nervous about having my first smear test but the nurse made me feel calm and comfortable.

NEITHER LIKELY OR UNLIKELY

It's very difficult to get an appointment and I saw a locum doctor.

NEITHER LIKELY NOR UNLIKELY

While I'm there service is brilliant, getting there is like winning the lottery, appointment system needs reviewing.
