

WARLEY MEDICAL CENTRE FRIENDS & FAMILY TEST

How likely are you to recommend our GP practice to friends and family if they needed similar care or treatment?

November 2018

LIKELY

I think all surgeries are under pressure to deliver but I find efforts are made.

LIKELY

Apart from the strategy of queuing up outside early in order to get an appointment it's normally okay.

LIKELY

Once you can get an appointment (this is always difficult when you want to see a specific doctor) they are always caring and professional.

LIKELY

Quick service for babies.
